

You can help make a difference in the lives of hungry, hurting and homeless men, women and children in our community by organizing a UGM Donation Drive. Donation Drives are a great way to collect food and every day items for the people who come for help at UGM. Your partnership makes a impact in restoring hope and restoring lives!

## HOW TO START A DONATION DRIVE

You can organize a UGM Donation Drive at any time of the year. To get started, decide what type of drive you would like to organize. Common drives include (but are not limited to) food, clothing or personal care items.

Select the dates and location of your drive, and decide whether a barrel would be a suitable and useful option for your facility.

Contact Nancy at 503.375.2511 or [ntapia@ugmsalem.org](mailto:ntapia@ugmsalem.org) to arrange the details of your drive and schedule barrel delivery.

## THREE STEPS TO A SUCCESSFUL DRIVE

### 1. PROMOTE

Distribute fliers that encourage people to participate. Be sure to include details about what type of drive you are hosting and where the drop-off location for donations will be. Customizable fliers are available at [ugmsalem.org/donationdrives](http://ugmsalem.org/donationdrives)

### 2. INSPIRE

Many groups have found success by turning their drive into a friendly competition between two or more groups of people.

### 3. COLLECT

Contact Nancy at 503.375.2511 and UGM will exchange your full barrel for an empty one.
